

**JUNE 28-30** DOUBLETREE BY HILTON  
PITTSBURGH, PENNSYLVANIA

Dedicated evaluators from around the country attend MSPA America's ShopperFest. And now we are gearing up for another great collaboration of provider companies and evaluators at ShopperFest 2019!

ShopperFest is the only MSPA Americas conference for independent contractors to attend educational sessions, gain certifications and network with provider companies all at the same time. What is unique about ShopperFest is that it is a conference put on by providers and programmed with provider speakers. Attendees are getting first-hand, credible information from the owners and executives of the industry itself.

This three day conference includes networking opportunities during the opening reception, meals and breaks, an optional evening event on Saturday night and a full slate of MSPA Americas educational courses on Sunday to earn specific industry certifications. A brief rundown of the weekend includes:

### FRIDAY, JUNE 28

- Opening Reception with sponsors, providers and all ShopperFest attendees

### SATURDAY, JUNE 29

- A full day of informative sessions led by provider owners and executives
- Lunch with the providers (where provider company representatives sit at tables informally discussing topics with attendees over lunch)
- Optional evening event

### SUNDAY, JUNE 30

- A morning of MSPA Certification: A selection of MSPA Americas educational courses which can lead to onsite certification
- ShopperFest Awards & Closing Luncheon

### NETWORK WITH KEY EVALUATORS

By sponsoring ShopperFest, you will have the opportunity to network with some of the industry's best independent contractors one-on-one as well as gain recognition for your company while supporting the overall efforts of MSPA Americas to provide better educated and committed evaluators.

Independent Contractors have a lot of companies to choose from when searching for opportunities across the Americas – be their first choice by sponsoring ShopperFest!
